Recently on 22nd January, 2009, the Wedding Game was released throughout Singapore. It was a great movie thank to the great acting by Fann Wong and hence today, I'd like to introduce Fann Wong to everyone.

Fann Wong's real name is **Fann Woon Fong** (方文芳) was born on 27 January 1971 and is a singaporean actress, singer and model. Fann Wong raised to the stardom in 1995 during the Singapore Star Award when she became the first Singapore actress to have won both the Best Actress and Best Newcomer awards. Thanks to Fann's talent, she breaks into Hollywood playing Chon Lin in 2003 film Shanghai Knight.

Fann Wong has three siblings - an older sister, younger sister and younger brother. Fann was educated at Temasek Secondary School where she took her GCE 'O' level examination in 1987.

Fann is romantically in relationship in late 2002 with the Malaysian born Actor: Christopher Lee although the pair only admitted their relationship in mid 2005. The only known relationship she had previously was with a business man Anthony Chan.

And now, let's enjoy Fann Wong's photo gallery below:

# Introducing Mandy Soong

Posted by: sgwebmaster on: September 23, 2008

📖 In: [News](#) | [Pics](#) 🗨️ 2 Comments

Mandy Soong, a 19 years old school girl who was also the Miss Singapore Universe finalist, won this year Singapore FHM Girl Next Door title. According to AsiaOne, Mandy Loves to play volleyball (I suspect she plays regularly at Sisolo Beach in Sentosa), netball and yogo while enjoying drinking green tea and apple juice. She has always dreamed of getting an expensive Audi R8 (It should be easy for her to get one now since she won the FHM Girl Next Door Title, I reckon).

Sorry to short dude out there coz she prefers a fair sporty tall guy. Enough said! Furthermore, If you are an engineer or none businessman, sorry you are out too since she prefers a man in bank suit, okay?

Alright, let's see how she looks now 😊
